

ORCHIDOPHILIA OTTAWA

OTTAWA ORCHID SOCIETY
37th ANNUAL SHOW, APRIL 2018

ART GALLERY RULES AND REGULATIONS

RA CENTRE
2451 Riverside Drive, Ottawa, Ontario
April 20-22, 2018

Please read all rules carefully

1. Upon making an entry, each exhibitor agrees to abide by the rules and regulations of this show. All questions regarding the interpretation or application of these rules and regulations shall be referred to the Show Chair whose decision shall be final.
2. All orchid artwork, photography, and crafts exhibited in the show must be the creation of the exhibitor, and must not have been exhibited previously at an Ottawa Orchid Society show (unless specifically marked “Not for Judging”).
3. The main theme of each entry must be orchids.
4. There is a **limit of three (3) pieces per artist or photographer**; the limit is 1 entry per student (under 18).
5. There is a fee to exhibit (except for students) of \$10 per entry. For artists entering more than two entries, the \$10 fee for a third entry is reduced to \$5 provided payment is received on or before Friday, March 23rd.
6. OOS members may submit one Art Gallery entry free of charge. Vendors who have purchased sales table(s) may submit one entry free of charge per sales table.
7. All two-dimensional work must be suitably framed, wired and ready for hanging.
8. Photography entries may be taken using a film camera or a digital camera and may be printed on photographic paper or with a digital printer. Minor adjustments to the image are permitted **providing the overall effect remains natural and true to life**, including cropping, exposure, white/colour balance, contrast, brightness, sharpness, fill (shadow detail), noise reduction, lens corrections, tilt, minor “gardening” (removing dirt, spots and tiny things not seen when the photo was taken). If more substantial changes are made for artistic effect, so that the image is no longer a true representation of the original subject, the photograph must be exhibited in the “Digital Painting” class (see note below). In the event of any disagreement the decision of the Photography Judges shall be final.

9. Gicle prints (prints of paintings reproduced on canvas) are not allowed.
10. All entries exhibited in class 157 (Botanical representation) must show plant, flower, spike, roots.
11. Photography, fine art and fine craft entries **must** be registered by **April 13, 2018** (see OOS website for registration form and information) and may be brought to the Art Gallery between 4 and 7 p.m. on **Friday, April 20, 2018**. Late registrations will NOT be accepted.
12. Neither the RA Centre nor the Ottawa Orchid Society is responsible for loss of or damage to any photographs, fine arts and crafts or other property of exhibitors. However, every precaution will be exercised for their safety.
13. Judging will take place during the morning of **Saturday, April 21, 2018**.
14. First, second and third place ribbons may be awarded in each class at the discretion of the judges. Depending on the number and quality of entries, classes may be subdivided at the discretion of the Judges. Trophies will be awarded as designated in the Awards listing. Judges have the authority to award or withhold any ribbon or trophy, and the decisions of the judges shall be final.
15. Only persons specifically authorized by the Show Chair will be permitted in the show area during judging.
16. Business cards may be placed on or close to an exhibit after judging is complete, but the Show Chair reserves the right to limit their use. No other identification signs will be permitted.
17. Art exhibitors are **not allowed to enter the plant section** of the Show during the setup on Friday. Art exhibitors will be given a complimentary pass for one person to enter the Show during normal opening hours. This pass will be collected at admissions, and cannot be used to enter the Volunteer area.
18. **Absolutely no sales are permitted during the show setup on Friday, or on the Saturday morning of the show.** This rule will be strictly enforced, as our permit from the City of Ottawa only allows sales while the show is open to the public. Note: the normal 10% commission on sales is being waived this year – refer to entry form.
19. Pick up of unsold art work or funds for sold art work at the Art Gallery after the show between 5 and 5:30, April 22, 2018.

Digital painting note:

Photo manipulation is often much more explicit than subtle alterations to color balance or contrast and may involve photo composites, such as overlaying a head onto a different body or changing a sign's text. Image editing software can be used to apply effects and warp an image until the desired result is achieved. The resulting image may have little or no resemblance to the photo (or photos in the case of compositing) from which it originated. Dropping in a new background, painting in a different colour or pushing colours unnaturally are also photo manipulation in digital painting. Today, photo manipulation is widely accepted as an art-form.
